

## DOE-CEG Telecon

January 14, 2003

1:00p.m. ET

Call in Number (USA Toll Free): 877-601-3551

PASSCODE: 23223

---

### Agenda

- Website
  - Available in near future at [http://oecm.energy.gov/cost\\_estimating/cost\\_index.html](http://oecm.energy.gov/cost_estimating/cost_index.html)
- White Paper
  - Brief Overview
- Charter
  - Finalized
- DOE Value Engineering
  - Policy (DOE N 413.2) has been issued

VE is an important part of cost work, because each VE recommendation needs to have its estimated costs worked out so that it can be considered in the light of existing plans and other recommendations.

- Cost and Schedule Estimating Guide
  - Preliminary Draft Revision
  - OPC Definition
  - Earned Value
  - Timeline
- Project Management Conference
  - Cancelled
  - Some presentations may be made available on the DOE-CEG website.
- Other Information to Share
